

GBASO A-Thon Fundraiser

Thank you for your interest in participating in this fun and exciting fundraising event. To help raise funds for the park, we are hosting our 2nd annual A-Thon event to showcase our youths' skateboarding skills. We ask participants to collect pledges by reaching out to friends, family, and people who understand the positive impact GBASO makes on the lives of children in our community. This fundraiser is open to all kids 17 and under.

This event will take place during our next Community Night, November 14th from 4-10pm. Each participant will need to raise a minimum of \$50 to participate in one or all of our A-Thon events. Every participant who raises \$50 will receive a GBASO beanie. There will be a grand prize for the participant who raises the most money.

Tic-Tac-A-Thon: 6:00pm

We will have a course set up in the street section with volunteers timing to see how long participants can tic-tac around the course. If there are multiple kids that can tic-tac for 20 minutes, a longest manual competition will determine the winner. The person who can tic-tac the longest around the course will win a \$75 GBASO gift card.

Pump-A-Thon: 7:00pm

We will have stations set up on the vert ramp, bowl, and mini ramp with volunteers timing to see how long participants can pump back and forth. If participants are able to pump for more than 10 minutes, they will then need to incorporate alternating front and back side kick turns into their pumping. The person who is able to pump the longest will win a \$75 GBASO gift card.

Longest Manual & Highest Ollie Competition: 8:00pm

New this year, we will have a section of the park set up with volunteers to determine who can land the highest ollie and ride the longest manual. If multiple skaters achieve the same height or distance, a tie-breaker will determine the winner. The skater who lands the highest ollie and the skater who rides the longest manual will each win a \$75 GBASO gift card.

This will be a really fun event that will get our youth involved in helping to support a place that makes such a difference in their lives. Pledge forms and money raised will be turned in the night of the event. For sponsors to pay online, scan the QR code listed on the registration form. If you have any questions, contact Eric at eric.peters@gbaso.org. Thank you so much for your participation.
